

First Blood (Dr. George Barnabas Mysteries)

The first installment in a pathological murder mystery series featuring Claire Rayner's sensationally scalpel-minded heroine, Dr. George Barnabas, the new pathologist at a big inner city hospital. She is also a police surgeon - and the first woman to hold either post - combining ingenious crime and detection with a lively medical background, an intelligent, spirited heroine and a large and thoroughly engaging cast of characters. First Blood gives us the very best of author Claire Rayner. It is the first book in a mystery series that combines ingenious crime and detection with a lively medical background, an intelligent, spirited heroine and a large and thoroughly engaging cast of characters. It will increase this popular novelist's readership yet further.
