

Hand-Painting China: How to Design and Paint Your Own Beautiful Ceramics, Without the Need for Kiln-Firing

This book will show you how to create wonderful pieces of china to blend in with your own home decor. Beautiful designer-style pieces made easily and economically. Readily-available ceramic paints allow you to paint directly on to store-bought white china, terracotta and ceramic objects around the home. Simple heating in the oven fires every piece for durability - no kiln required. How to paint decorative flower vases, storage jars, window boxes, tiles, jugs, pots, mirrors, dinner & tea services. There are beautiful color photos throughout the book.
